Dear Colleague,

You recently received your FY2012 membership dues statement from the AANA. A portion of your dues is returned to our state association to assist in funding the necessary components of an effective state association. This amount is \$232.50 per member.

As required by section 6033(e) of the Internal Revenue Code, we are required to inform you that \$30.00 of your state membership dues are allocated toward expenses incurred by the Maryland Association of Nurse Anesthetists (MANA) for state lobbying activities. This amount is not deductible for federal income tax purposes. All Maryland Association of Nurse Anesthetists members are also members of the AANA. The AANA has included correspondence about the amount incurred for lobbying activities from the national dues in the AANA President's letter.

Thank you for continuing your membership with AANA and the Maryland Association of Nurse Anesthetists.

If you have any questions feel free to contact us.

Respectfully,

Linda Goetz, MHS, CRNA  
MANA President, 2010-2011
